JUMPSTART YOUR SEARCH FOR FINDING WORK ABROAD IN THIS HANDS-ON WORKSHOP

(Please bring your laptop if you have one.)

- GoingGlobal features career resources for more than 30 countries around the world (and growing!) and a robust job and internship search database.
- Country-specific resources such as job-search advice, work permit and visa regulations, resume writing and interviewing guidelines, and more!
- FREE TO ACCESS AND EASY TO USE!

- We'll cover how you can get started and maximize your use of the tool.

Note: GoingGlobal is currently available to Arts and Sciences undergraduates via FutureLink, Fisher College of Business students via FisherConnect, and College of Engineering students via CareerEngine.

**SPACE IS LIMITED – PLEASE RSVP BY MONDAY, FEBRUARY 13
