[Carmen COVID-19 Testing Protocol](#)

Due to COVID-19 protocols at Ohio State, the main campus and testing centers were closed from 2020 Spring to Present. In order to meet the needs of our students we are making the placement tests for **Arabic, Hebrew, Italian, Latin, Russian, Somali, and Swahili** available for remote testing.

When you are granted access to the testing shell, you will have 48 hours to begin and complete the exam. Please allow **5-7 business days** for your score to appear on your transcript.

To be able to access the exams you must be a current or incoming student at OSU and have an **active OSU name, # and password**. Without your OSU login credentials you will be unable to access this exam due to the platform design.

Please note that you **SHOULD NOT** be taking a language placement if you:

- a) Already have credit or a mark (as in a failing grade or an incomplete) for a college-level course in the world language for which you are testing whether from OSU or another university; and/or
- b) Are currently enrolled in a language course in the SAME language for which you are testing
- c) Would like to start learning a language at Ohio State but have not taken this language in high school and have no knowledge of it. - d) Are a native speaker of the testing language.

If you meet the criteria of a) or b) above please contact The CLLC(cllc@osu.edu) to discuss other pathways to test out of or receive credit for existing world language knowledge.
