#### **Covid-19 MultiCAT Testing**

The MultiCAT placement exam is a multiple-choice, computer-adaptive test. No two students will be given the same set of questions. The test has no listening, speaking, or writing part.

Due to COVID-19 protocols at Ohio State, the main campus and testing centers are closed for Fall, Spring, Summer and Autumn semester 2021. Testing will be available Monday-Friday from 9:00am-3:00pm EST with the exception of university holidays.

Please allow up to 7 (seven) business days for your score to appear in your transcript.
