Spanish Placement Chart

Placement is based on the number of years of study and the MultiCAT score. If you do not remember your MultiCAT score, contact the Center for Languages, Literatures and Cultures, 100 Hagerty Hall, cllc@osu.edu.

Test Score	Level Completed	Course Placement
0-20.5	1-2	1101
0-20.5	3+	1155**

The Department of Spanish and Portuguese (SPPO) follows the MultiCAT placement scale strictly for placing students. However, if you believe that you have been placed incorrectly or have a placement question, please contact Megan Lobert.3.

*Spanish Score Verification Process: Placement into SPAN 2202 will depend on the successful, timely completion of the in-person Verification Exam. Students will have two (2) weeks from the day they take the MultiCAT to take the Verification Exam. Failure to take the Verification Exam in the two-week period will result in the student being placed into SPAN 1103. You will be contacted with instructions for verifying your placement.

**Spanish 1155 reviews the most important topics and skill areas of 1101 and 1102.
